

Project Title	1
----------------------	---

Project Date	02 August 2025
---------------------	----------------

Overview

The project involves conducting a site survey, preparing a 2D layout design, and installing PU tactile pathways and accessibility signages at the One Stop Center, Perungudi, Chennai.

The work was executed in accordance with the Harmonised Guidelines and Standards for Universal Accessibility in India, ensuring safe, accessible, and barrier-free movement for persons with visual impairments.
